## End times

*To many people Judgement seems like a worrying doctrine and a fearful prospect, but what about those who are waiting for justice?*

When will the end times end?

How long will the last days last?

Will cheating continue

and lying persist?

Will wars carry on

and tyranny last?

When will your kingdom come?

When will your will be done?

When will peace break out

and justice prevail?

When will life become fair

and righteousness rule?

It's good that there's time

for mercy to win

but how long, O Lord

'till the harvest comes in?
